

Measuring Our Success 2020

Residential Program

75% clients in short-term rehab discharged to community living with less than 24 hours of supervision.

Safety First!

Felt Safe and Protected from COVID-19

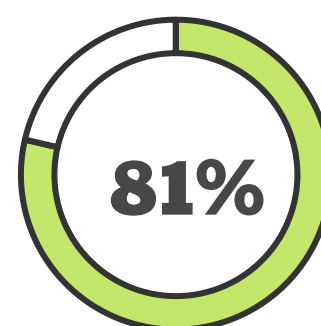

All 21 clients in the Residential Program reported feeling safe from COVID-19 due to the precautions and procedures implemented by Origami.

Partnership

100% of clients and their support systems reported feeling like they are a partner in setting their rehab goals (237 respondents).

Outpatient Program

Rehab Goals Met

Origami helped create opportunities for over 600 individuals served in our Outpatient Program. We transformed lives by helping clients reach their stated goals.

Vocational Service

*50% (n=4) of clients returned to their pre-injury vocational status (employment/school).
Since 2016, this number is 80% (n=55)*
