Position

Origami Brain Injury Rehabilitation Center is seeking a Patient Care Technician with strong communication, initiation, attention to detail, organization, and thorough documentation skills. Motivation and enthusiasm for working amongst an interdisciplinary team in a dynamic, post-acute environment with persons who have sustained a brain injury is required.

ABOUT ORIGAMI BRAIN INJURY REHABILITATION CENTER

Nestled on a beautiful 35 acre wooded smoke-free campus just outside of Lansing, Michigan, Origami is a CARF accredited, nonprofit organization offering a continuum of care for individuals who have sustained a brain injury. Origami provides more than medical care. We work as a team, bringing together committed professionals who use a unique interdisciplinary approach and a network of community resources to meet the physical, social, spiritual, cognitive, and emotional needs of those who have sustained a brain injury. We focus on maximizing recovery, restoring quality of life and independence.

Origami is fortunate to have two exceptional partners, Michigan State University College of Osteopathic Medicine and Peckham, Inc. The relationship between Origami, Peckham and Michigan State University is unparalleled in the area of brain injury care, recovery, and rehabilitation. The expertise and resources of all 3 organizations provides a mechanism for the most up-to-date services from medical expertise to community re-entry and return to work.
