

Measuring Our Success

2022

Residential Program

Overall Pendant Response Time: Employees promptly responded to client pendant alerts within an average of 1.47 minutes from receiving the alert. Over 12,000 pendant alerts were received.

100% of short-term clients met estimated length of stay

100% of long-term clients maintained independence levels

Expanding Who We Serve

135% Increase in clients with non-brain injury from 152 to 358

45% Increase in total admissions from 405 to 586

17% Increase in pediatric population from 60 to 70

Satisfaction

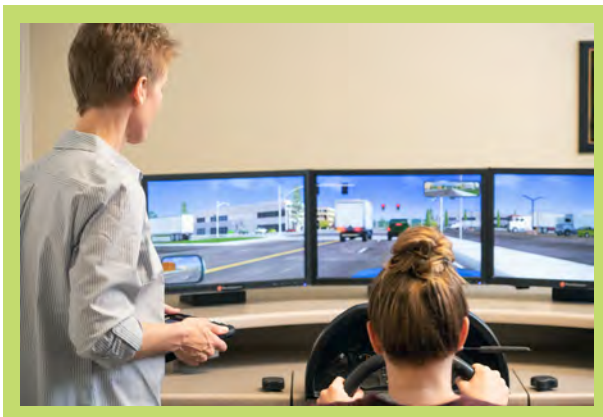

Residential: 100% of clients feel the employees who they work with care about them as a person

Outpatient: 100% of clients felt satisfied with services they received at Origami

Outpatient Program

Treatment objectives met by clients discharged after completing service(s)

Origami Rehabilitation is a nonprofit that provides comprehensive rehabilitation for children, adolescents, and adults with neurological, developmental, mental health, and orthopedic conditions through their residential and outpatient programs.
