origami REHABILITATION

Residential Program

Origami's Residential Program provides individualized support in a post-acute licensed adult foster care setting on a scenic 35-acre campus with walking trails. We offer respite, short-term rehab, and long-term care through three tracks: Neuro-Rehabilitation, Assisted Living, and Semi-Independent Living. An engaging recreational therapy experience features community outings, events, and more to support well-being and social connection.

DAY TREATMENT AND RESPITE

We provide half or full-day group-based treatment for adults who benefit from structured physical, cognitive, and social rehabilitation. Our skilled team supports each individual in building routines that align with their goals. This program also offers respite for caregivers, giving them time to rest while their loved one receives quality care.
